

Animal Location, Location, Location

Instructions

- You are an estate agent trying to sell a home to your animal.
- Read your animal fact sheet to find out about your animal's needs.
- Complete each section of this brochure to help persuade your animals to "buy" the home from you.

Name of the animal;

Address for this property;

.....

Write a description of the property and location in a way which would persuade the animal to buy it from you;

How much will you charge for this property (which currency will you use)?
